

Dear Colleagues,

We are pleased to invite you to participate in the "36th EARSeL Symposium and 39th General Assembly" to be held in Bonn (Germany), 20 - 24 June 2016.

The Symposium will comprise Special Interest Group (SIG) sessions on Developing Countries, Urban & 3D, Geological Applications, RPAS, Cultural and Natural Heritage and Education & Training. Additionally, we especially invite students to the EARSeL Young Scientist Days.

The deadline for the receipt of abstracts is 22nd December 2015.

You can submit your abstract here:

<http://www.earsel.org/symposia/2016-symposium-Bonn/papers.php>

We would like to draw your attention to a special registration package that we offer: fullboard accommodation at the GSI conference site including lunch breaks and dinners for only € 240.

More details can be found here: <http://www.earsel.org/symposia/2016-symposium-Bonn/fees.php>

For further details, we kindly refer to the conference website:

Apologies for cross-posting.

We are looking forward to welcome you in Bonn next summer.

Best regards,

The 36th EARSeL Symposium and 39th General Assembly Organizing Committee
